**PROVEN DESIGN FOR EXCELLENT
SEEDBED PREPARATION AND
INCORPORATION**

FAST AND EFFICIENT

**HIGH CLEARANCE TINES FOR
IMPROVED TRASH FLOW**

LOW MAINTENANCE

DOUBLE-FOLD FIELD CULTIVATOR

Standard features include gauge wheels, heavy duty 14" dia. tandem crumblers for breaking clods and creating seedbeds, 1 1/4" high clearance tines, 2 3/4" sweeps, and transport lights for safety.

The main frame consists of 7x7 center toolbar with welded CAT III and IV hitches and 2" x 3" tine mounts. Tines are mounting on 4.5" spacing spread out on 4 bars for better soil and residue flow. A double folding toolbar allows a tighter transport profile. Wings can flex down 3 degrees at each joint for rolling terrain or set stop bolts to hold them for level.

Optional features include:

- 1 3/4" wide heavy duty high clearance tines
- Crumbler/Roller combination for breaking clods and firming
- 4" sweeps

Specifications

- Weight 8,760 lbs. (approx)
- Transport dimensions:
 - Width - 17 ft 10 in
 - Height - 12 ft 6 in to 13 ft
(depends on tractor lift height)
- CAT III / IIN Quick Hitch
- CAT IV Narrow & Quick Hitch

Models

- 37 ft for 12R-36" patterns (has 99 tines)
